

BIBLE & READING & PLAN

Reading the Bible can feel like a daunting task, and we want to help. We've developed a reading plan to help you read through the Bible in one year at a manageable pace. This plan does not cover every chapter and verse of the Bible, but instead, exposes you to key moments and helps make sense of the overall trajectory of God's story.

Here's how this reading plan works: Read three times per week, just three chapters each time, and you will have covered the whole Bible in less than a year! If you fall behind, don't worry. Keep going! No amount of time spent reading the Bible is a waste.

We are praying that God's love will meet you in fresh ways in the pages of Scripture and that the words you read will breathe new life into your soul.

"Blessed is the one... whose delight is in the law of the Lord, and who meditates on His law day and night." Psalm 1:1-2
