

Sermon Title: N/A (Going Public)

Sermon Text: N/A

Date: March 26, 2023

1. What, if anything, about the Going Public service did you find especially moving? Why is that?
2. If you've ever been baptized as a believer in Jesus, we'd love to hear about that! When were you baptized? What prompted you to get baptized? What do you remember about that experience?
3. Read Romans 6:3-4. Here Paul points out how when we identify with Jesus through baptism we're identifying specifically with His death and resurrection. (This is symbolized by going underwater and coming back up again.) In your mind, what's the most compelling reason to identify publicly with Christ in his death and resurrection?
4. Read Romans 6:5-10. What, specifically, do these verses say is true about us as believers in Jesus? (Let's make a list.)
5. Read Romans 6:11-14. What do these verses call us to do in light of the preceding verses? What might it look like for you to take this to heart?
6. What sort of inspiration, if any, are you taking away from our reflections on Romans 6 and the baptism service itself?

*Let's thank God for our identity in Christ and pray for the grace to live this out in practical ways this week.*
