

Sermon Title: Honorable Elderly

Sermon Text: Titus 2:1-5

Date: May 21, 2023

1. What are some traits you've observed in older men or older women that you've found to be especially honorable? Share an example.
2. Read Titus 2:1-2. What does it take for an older man to receive the teaching of a younger man on how to live a godly life?
3. Given the reputation of Cretans (see Titus 1:12), Paul's instructions concerning what to teach these older Cretan men seems fitting. How do you see these instructions being relevant in our culture today?
4. Read Titus 2:3-5. What does it take for an older woman to receive the teaching of a young man on how to live a godly life? Why do younger women need help loving their husband and kids?
5. Why do you think Paul directs Titus to focus his ministry on the older women rather than the younger women? What does this suggest about the importance of older women discipling younger women?
6. How does this passage speak to your role and responsibility toward those younger or older in the faith?
7. What action step is God calling you to take in light of this message and our discussion?

*Let's pray for the discernment and courage to act on God's promptings to invest spiritually in younger believers.*
